All good I warned u! Time to play
your game better..

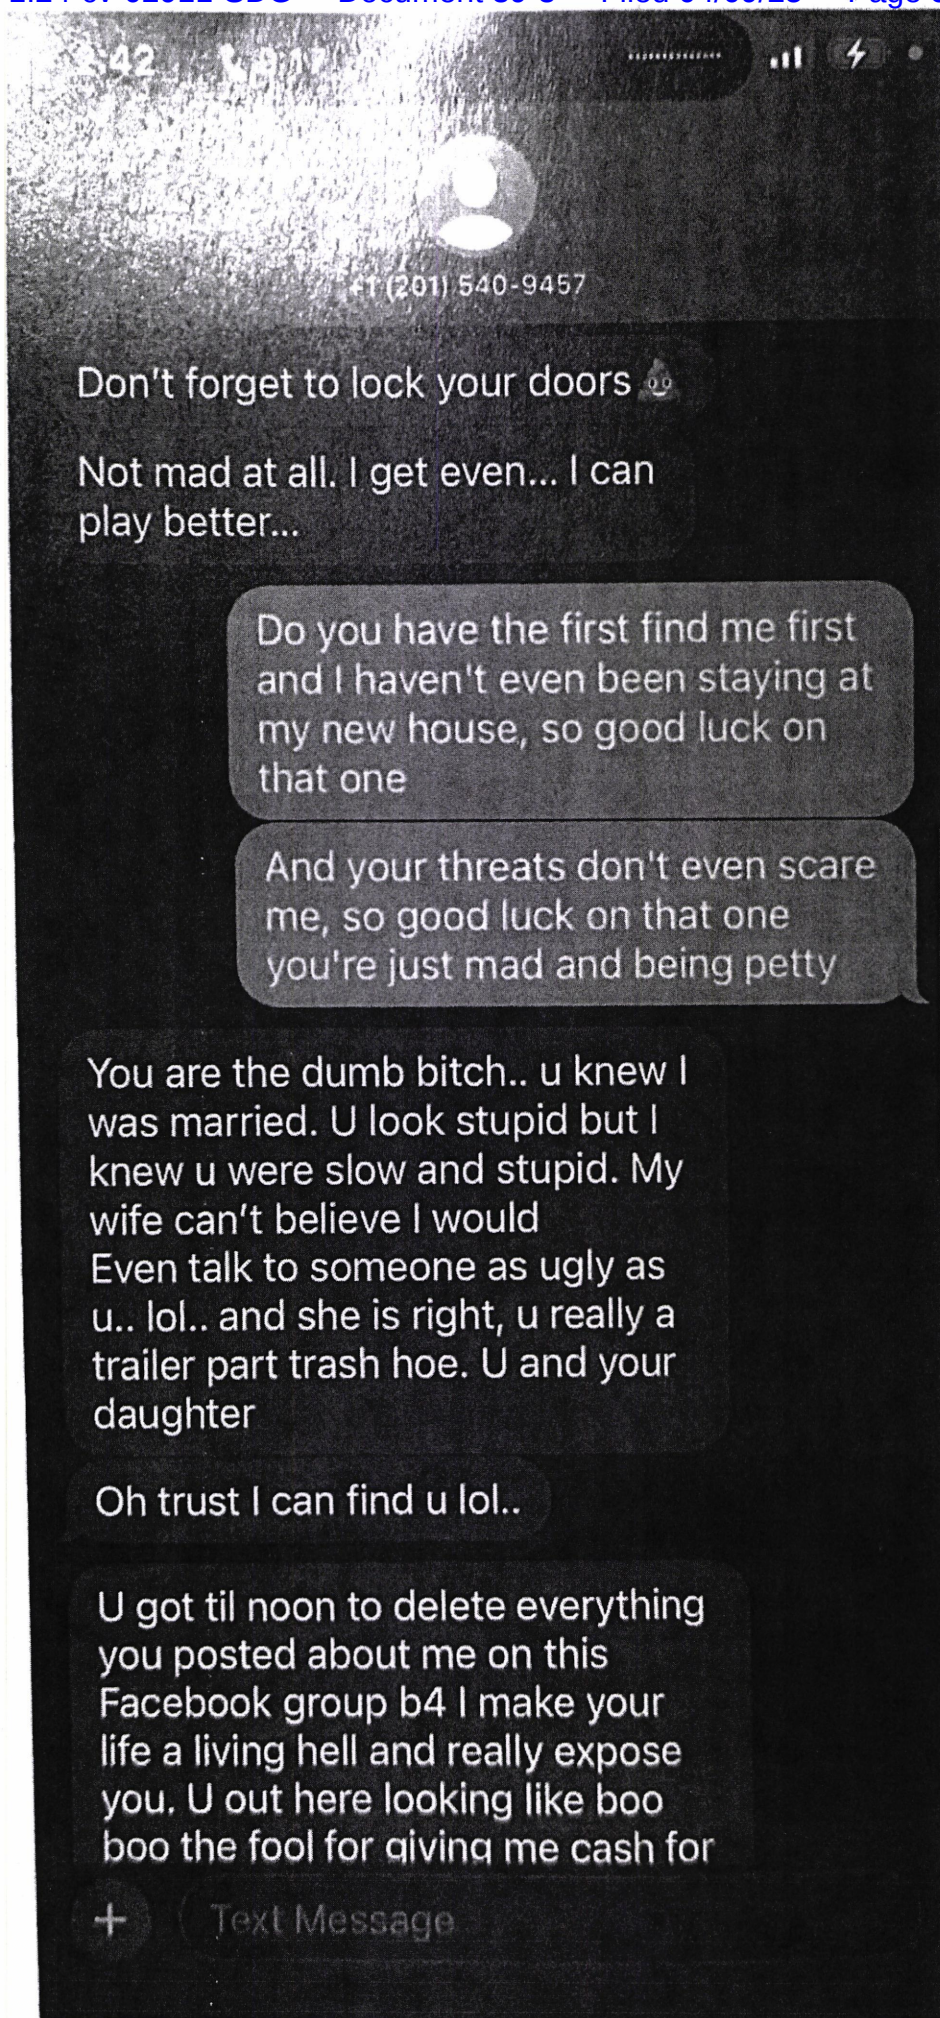

You're just mad because I busted
up your little game so all these
women that you've been playing
for all these years and playing your
wife who doesn't deserve what
you do to her and I told you that so
you can go do whatever the fuck
you want I don't give a fuck cause
you don't even know who the fuck
I am so go ahead try me

And your wife deserves so much
better than what you do to her so
you're just mad cause you got
caught

For someone who votes
themselves to the Lord, you sure
are manipulator your user and you
think you're like the best thing
ever when the man upstairs, the
one you have to answer to not to
me not anybody else with the man
upstairs when it's your time, so I
don't know how you can even sit in
church being the way that you are

Sorry ass stripper pole videos...
they suck, u suck, u really should
go get a job stripping. U wouldn't
make much cash though... you
really out here looking like a 🤡 on
Facebook thinking u saving the
world... like I'm so mad I even gave
a dumb bitch like u my number.. u
really are mentally slow

Your words Don't hurt me lol..
go enjoy life in that ugly ass shack
house with your funky ugly dog

Since u want to look like a victim,
we gonna make sure these
receipts get out there to
everybody.

No it's called you owe me money
and I think everybody needs to
know exactly who you are and
what a liar you are and how you
use people and how you want
them to be like dumb thinking that
oh you're single and you don't
sleep with your wife and you live
by yourself blah blah blah so go
fuck off Wendell

But you'll never be able to pay me back because your wife obviously supports you, so that's it and all the little bitches that you fuck around with

Natalie u ain't getting a dime from me. Go to hell

And u are a dummy

So all of this is pointless. U wasting time energy and u looking like a fool.. and u still won't get a dime from me. So have accomplished absolutely nothing, zero, nada 🤔

Maybe I'll post some of your nude photos on that same chat.. then we will see how you look to all those women..

And I got all the receipts.. I didn't delete my messages boo

U still want me to go on this vacation with u? 🤔

Oh I got some even better ideas..
